

# CHESTER ROAD DENTAL CARE

11 Chester Rd, Poynton,  
Stockport SK12 1EU

01625 876 900

## How to join the Plan

If you are a registered patient at Chester Road Dental Care then discuss your needs with your dentist and they will advise which plan is best for you. New patients will require an examination with a dentist prior to confirming eligibility for a dental plan. The team can sign you up directly at the Practice, or send you a link to register via email.

## Your registration

It is the patients' responsibility to book appointments. If you fail to book in or attend your routine appointment on time, the practice will be unable to back date or refund for the missed appointment. If you change address, please notify CODEplan and the practice. If you change your bank details, notify CODEplan. You may withdraw from The Chester Road Dental Care Plan by giving three months' notice in writing to CODEplan. If you leave the plan within 12 months of receiving a dental appointment any outstanding amount owed will be payable to the practice.

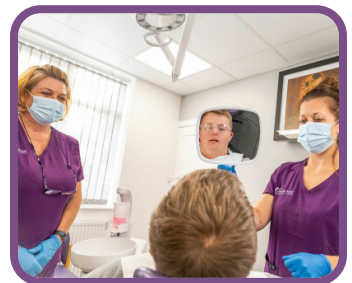

## Questions

If you have any questions, please call the practice, or speak to your Dentist who will be happy to help.

## Please tell us how we are doing

We always want to have satisfied patients. If you have any problems or complaints, please contact the reception team who will do their best to resolve them.

## Dental A&E Worldwide Cover

With global coverage, you can enjoy peace of mind knowing that wherever you are, help is just a call away. Whether you're traveling abroad for leisure or business, accidents can happen anytime, anywhere. Dental Accident and Emergency Global Cover offers you the assurance and support you need to navigate unforeseen dental emergencies with ease, wherever you may be.
